MEMORANDUM FOR: Comptroller, CIA

SUBJECT : Operational Programs  
Unvouchered Funds, FY 1956  
Authority to Issue First Quarter Allotments

1. Documentation of formal approval of the individual operational programs for unvouchered funds for FY 1956 will not be completed prior to the close of business, 30 June 1955.

2. In order that operations may not become dislocated by the transition between fiscal years, and pending formal approval of the operational programs, you are hereby authorized to extend First Quarter FY 1956 allotments for covert operations in conformance with the FY 1956 program presentations, with the understanding that the individual operational programs will be approved within the limitation of the current monetary ceilings, subject to the availability of funds and subject to compliance with existing regulations covering approval of individual projects by appropriate authority.
